1. #123-Firstprizebears Haagen Dazs.  
**Best In Veterans Sweepstakes.**  
A nice long dog. Beautiful head. Great pigment. Good side-gait. Clean coming and going. Nice angles. Top line getting soft, but he's fourteen. My idea of 'breed type.' I was pleased to award him Best in Sweeps.

Great mover. Great length of back. Great side-gait. Won out on the last go around. Handler did well to survive.
2. #125-Ch. Britannia Made You Look. She has the most perfect name. Beautiful expression. Nice length. Great mover. This was the best class and the hardest choice to make. I'd refer to her as 1 B.

1. #108-Willowisp Never Say Never.  
**Best in Puppy Sweepstakes.**  
Nice sized male. His head fits his body. Strong front end. Good rear. Nice length of back. He moves very easily and covers the ground well. I was happy to find out his sire was Cooper, another Specialty winner. He was well handled and I was happy to award him Best in Sweeps.
2. #109-Medows Imagine That. Nice dog unlucky to run into #1. Nice head. Good expression. I would like longer back.

3. #110-Sebring's As Good As It Gets. Nice on the move. Good sidegate. Good coming and going. I had to drop her to third because she wouldn't let me go over her without a struggle.
